**RON CLIFTON**

Ron Clifton has a gift for teaching the sport of bowling in “easy-to-understand” terms and is well known across the US and the world for his unique training techniques. Ron recognizes that every bowler is different and does not apply the “cookie cutter” approach to his coaching. Each bowler receives the equivalent of private lessons but enjoys the “low cost” benefit of a small group clinic. With this method, advanced bowlers can attend along with less experienced bowlers and learn at their own level and pace. Ron works with bowlers at every level, from PBA hall of fame down to the newest league bowlers. Over 40 or Ron’s articles can be found on his website, [www.bowl4fun.com](http://www.bowl4fun.com)
